

Administration Date Starts

Submit your **Statement of Affairs** online and provide any supplementary information required.

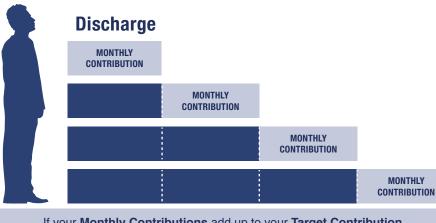

You will meet your trustee in bankruptcy and determine your **Target Contribution** and you start paying your **Monthly Contributions**.

You are to surrender your unprotected assets* for them to be sold and the proceeds will go into your bankruptcy estate for the benefit of your creditors.

You are not allowed to travel abroad or stay outside Singapore without the prior approval from your trustee.

Travel Applications must be made online at least 14 days in advance.

If your **Monthly Contributions** add up to your **Target Contribution** at the various points of review, you will be eligible for a discharge.

Your **Monthly Contributions** must be paid promptly for the duration of your bankruptcy.

You are to comply with all instructions/directions given by your trustee and perform all the duties and responsibilities expected of a bankrupt.

Non-compliance may result in penalities or prosecution.
